ABOUT THE HOMESTEAD

Welcome to the Homestead!
Originally the living quarters for the
Dienger family, this upstairs historic space
has been beautifully restored and is
available for your next event here at The
Dienger Trading Co.

With attention to detail and a focus on
preserving its history, this upstairs venue
has been designed to host photoshoots,
baby showers, receptions, tea parties,
birthday parties, intimate dinners, business
meetings, family gatherings and yes, even
weddings.

The Homestead is elegant and timeless, the
perfect canvas for your event!
